**Supplier Evaluation by INA Skalica  
Valuation period 01/2014 until 06/2014**

Dear valued supplier,

The Schaeffler Group uses standardised assessment criteria to assess its suppliers (see Internet: [www.schaeffler.com](http://www.schaeffler.com) / Suppliers / Quality / Production materials / Quality assurance agreement S 296001 Part 5 – Supplier Assessment, Appendix 1) on a regular basis, within the framework of the continuous improvement process, with the additional aim of detecting potential risks at the supplier's premises in good time and introducing corrective measures to eliminate these.

The Schaeffler Group's purchasing department uses the results of the supplier assessment as a decision-making aid when placing new orders.

**Overall evaluation: 99 Points**

**Classification: A**

Please find the details of the evaluation on the following pages.

Best Regards
